

Crossroads HOG, Chapter #2203 is now a member of the American Motorcyclists Association! Your chapter joined AMA so as to have up to date information on issues affecting motorcycling in the United States and to support the AMA's efforts on behalf of all motorcyclists. Your officers are members of the AMA and encourage you to join as well.

As an organizational member we are able to purchase patches, pins, and stickers that identify us as such. If you are interested in any, please contact Kevin McGraw for details.

Dear Valued Organizer,

We want to welcome you to the American Motorcyclist Association. We look forward to working with you for many years to come. By chartering with AMA, you have joined over 1,000 other motorcycle enthusiast organizations to help protect, promote and support motorcycling. We're here to assist you, so please do not hesitate to contact us if you have any questions regarding your AMA charter.

Please take a moment to check out your charter listing on the AMA website to insure that all contact information is correct. If your information is not correct please contact me at svandyke@ama-cycle.org or telephone 1.800.262.5646, extension 1241.

If you need to update information that was originally submitted on your AMA Charter Application, a recognized officer of your charter should contact me via e-mail, fax, or regular mail service; as changes to original charter application must be documented to include in your charter file.

Also, please feel free to contact the Organizer Services Department via phone or email. The Organizer Services Department is here for your organization, and you can contact us for any questions that you may have, from 8:30 to 5pm Eastern Standard Time. Our Contact information is listed below.

Again, welcome to the American Motorcyclist Association. Please let us know if we can assist you in any way.

Sincerely,

Serena Van Dyke,
Organizer Services Coordinator
