passengers alike\***

---

\*To benefit **Warriors and Caregivers United**: a new 501c3 non-profit started by a local veteran to help combat warriors back to some life of normalcy by putting on workshops, family events, etc. to get them working together, warriors to warriors and caregivers to caregivers and both together in activities. The goal is to try to give veterans some life value after their combat experience so they don't turn to suicide.

**Warriors and Caregivers United**

Box 1586, Ann Arbor, MI 48106

John Kinzinger, President
